

## **Tsiskaridze Alexander - Deputy Rector of Ivane Javakhishvili Tbilisi State University, In the Field of Science**

### **Education**

1982-1988-Tbilisi State Medical Institute;  
1988-1989-Sarajishvili Institute of Clinical and Experimental Neurology, internship;  
1999-2000-European Neurological Society Fellowship in Cerebrovascular Disease at the Neurological Hospital of the University of Lausanne (Switzerland);  
1999-2001-Salzburg-Cornell training course in neurology, Salzburg (Austria).

### **Professional activities:**

1989-1995-Sarajishvili Institute of Clinical and Experimental Neurology, junior research fellow;  
1995-1997-Sarajishvili Institute of Clinical and Experimental Neurology, research fellow;  
1997-2000-Sarajishvili Institute of Clinical and Experimental Neurology, scientific secretary;  
2000-to present-Sarajishvili Institute of Clinical and Experimental Neurology, scientific director;  
1996-2000-Neurology and Neurosurgery Department of Ivane Javakhishvili Tbilisi State University, assistant;  
2000-2006-Neurology and Neurosurgery Department of Ivane Javakhishvili Tbilisi State University, assistant professor;  
2003-2004-Scientific research activities (Swiss National Science Foundation grant) at the Neurological Hospital of the University of Lausanne;  
2006-2017-Neurology and Neurosurgery Department of Ivane Javakhishvili Tbilisi State University, associate professor;  
2017-to present - Neurology and Neurosurgery Department of Ivane Javakhishvili Tbilisi State University, full professor;  
2005-2006-Faculty of Medicine of Ivane Javakhishvili Tbilisi State University, deputy dean;  
2006-2009-Faculty of Medicine of Ivane Javakhishvili Tbilisi State University, acting dean;  
2009-2017-Faculty of Medicine of Ivane Javakhishvili Tbilisi State University, dean;  
2016-to present-Pineo Medical Ecosystem, head of the Neurological Service.
